Youth & GBMSM Sexual Health Educator

Full-time (35 hours weekly) from May 2017 to March 31, 2022

Salary Range: \$39,500 - \$42,999

Regional HIV/AIDS Connection (RHAC) is a volunteer driven, non-profit, community-based organization serving London and the six surrounding counties – Perth, Huron, Lambton, Elgin, Middlesex and Oxford. We are community-inspired and dedicated to positively impacting the lives of individuals and diverse communities living with, at-risk for or affected by HIV/AIDS and Hepatitis C. Our philosophy includes adherence to The Ontario Accord/GIPA (Greater Involvement of People Living with HIV/AIDS), anti-racism/anti-oppression, sex positivity, principles of harm reduction, holistic health and civil society.

PRIMARY PURPOSE OF THE POSITION AND ROLE

The Youth & GBMSM Sexual Health Educator reports to the Director of Education. The role will involve researching, developing, delivering, and evaluating both group and one-to-one HIV, HCV and other STBI and harm reduction education and prevention programming for youth at-risk and GBMSM2S within the six counties RHAC serves. The role will also support population-specific, testing-focused campaigns through community development activities, collaborative and strategic planning, and a combination of online and frontline campaign-linked outreach.

Required Skills:

- Current and extensive knowledge about HIV/AIDS/HCV/STIs, including HIV/AIDS/HCV/STI transmission/acquisition in relation to the social determinants of health
- Ability to engage and relate with youth at-risk and gay/bi/2S men and other men who have sex with men
- Ability to deliver programming and activities in the context of a harm reduction framework/philosophy in relation to both sexual health and substance use
- Sensitive to issues of diversity and a commitment to support the mission, philosophy and values of RHAC, including the ability to work with diverse at risk populations within an anti-racism / anti-oppression framework and recognize/diplomatically address homophobia, biphobia and transphobia in the context of providing HIV/AIDS STI education, prevention and awareness services
- Demonstrated competency in motivational interviewing-based interventions and activities
- Strong program development and delivery skills including: research skills, strong written and oral communication skills, promotion/marketing skills, networking skills, trust-building, facilitation, mediation/conflict resolution skills

- Capacity to integrate a nuanced understanding of syndemics and risk for HIV acquisition/transmission among GBMSMT2S community members and related impacts into activities and program delivery
- Program evaluation experience (i.e. data collection, organization and analysis)
- Ability to work well both independently and in a team environment
- Advanced computer and digital media skills including: knowledge of all Microsoft Office Suite programs, audio/visual editing programs, social media platforms (Facebook, YouTube, Twitter, Instagram, etc.), website design/maintenance and presentation software
- Community development and collaboration skills
- Demonstrated experience working with advisory committees
- Crisis intervention skills

Qualifications:

- Minimum 2 years working in HIV/AIDS, Hep C and STBBI prevention, health promotion, and demonstrated experience working with diverse communities
- Diploma or undergraduate degree in social services or equivalent related experience in social or health services; experience with community organizing an asset
- Demonstrated experience with philosophies and practice related to both youth and adult learning principles
- Direct experience (work or volunteer) within communities of youth at-risk and gay/bi/2-spirit and other men who have sex with men preferred
- Direct experience (work or volunteer) within communities of individuals who use substances preferred
- Must be able to work evenings and weekends in a variety of social and physical settings; irregular hours, evening and weekend work along with travel and offsite meetings will be required
- A valid driver's license and access to a reliable vehicle for work-related duties is required
- A valid Police Vulnerable Sector Screening document is required

Cover letter and resume may be submitted via email to hr@hivaidconnection.ca or in hard copy to #30-186 King Street, London, ON, N6A 1C7.

Application deadline is 5:00 PM on Monday, April 3rd 2017

Regional HIV/AIDS Connection in an equal opportunity employer. We strive to build an inclusive workforce that reflects the rich diversity of the community we live in.
